

# The Bweeng Bulletin

## The Budget

“The budget” is a plan of the amount of money the government plans to spend every year. The government gets this money by collecting taxes. Your parents (hopefully) pay taxes for your car, your home, your TV and even for their income (money they get from their job).

The government has a very difficult task deciding how to spend the money they get from taxes. The issue is that, everybody wants the money to be spent differently! Farmers want it spent on agriculture, artists want it to be spent on the arts and doctors want it to be spent on healthcare.

“The budget” is very important for our country. While fuel prices went up, more money was allocated to education and after school activities such as football and basketball! The younger people of Ireland are very excited and cannot wait for the New Year! :)

## Ireland VS Qatar

Earlier this week, Ireland defeated Qatar 4-0. Callum Robinson scored a hat-trick for Ireland and Shane Duffy scored a header. Callum Robinson is the first person to score a hat-trick since Robbie Keane. Ireland’s goal keeper, Caoimhín Kelleher is from Cork city and he kept a clean sheet.

That was their second win in a row. Callum Robinson scored 2 goals in his first match against Azerbaijan. He now has 5 goals in 2 games. Ireland are playing well, hopefully they can keep up the good form for the world cup qualifiers.

# Bweeng Fundraiser

Bweeng sports and recreational facilities committee are planning on building an all weather running track and a level playing field

It is hoped it will be 88m x 45m. It will be flood lit. There will be 4 lanes in the oval and 6 lanes on the straights. The project will be a huge game changer for Bweeng. No longer will you come off the pitch with muddy shoes. The pitch in the middle will be drained.

The committee are organising a draw with a top prize of €21,000. The tickets cost €20 for 1 and €50 for 3. You can buy the tickets at [www.bweengsportsfacilities.com](http://www.bweengsportsfacilities.com).

It will provide great facilities for Bweeng and its surrounding areas.

## Hallo'bweeng

On the 22nd of October Halloween will begin in Bweeng National School.

All of the children will wear their costumes and have lots of fun! We usually walk down from the

church to the school. This year we can't because of Covid 19. 6th class have great memories of Halloween in Bweeng NS. One year we even got a Garda escort from the church to the school. Every year the costumes get better and better. Some children choose costumes such as zombies, witches and more!
