

Decorating Buns

This activity is a fun one to try at home with younger children! After making the lollipops you might like to try and sequence the instructions with your child. You could cut up the instructions and ask your child to help you sort them into the correct order.

1) Get fairy buns, icing sugar, water, food colouring, sprinkles and sweets.

2) Next get a bowl, a spoon and a knife.

3) To make the icing add water to the icing sugar in the bowl and mix with a spoon until the icing is firm and sticky.

4) If you like, you can add a drop of food colouring to the icing to make a new colour, have fun seeing the new colours.

5) Put the icing on the buns with the knife or spoon

6) Add sprinkles and sweets to decorate your buns and enjoy!
